For Military Families:

Military OneSource: 800-342-9647

Military One Source Crisis Line: 800-273-8255

Military OneSource offers counseling options to active-duty, Guard, and Reserve members and their families. Each eligible service member or family member may receive up to 12 sessions, per issue, per counselor at no cost. Source counseling services are designed to provide service help with short-term issues such as adjustment to situational stressors, stress management, decision making, communication, grief, blended-family issues, and parenting-skills issues.

MFLC's can talk to you in individual, couple, family or group settings, and often have walk-in or flexible appointment times and meeting locations. Additionally, MFLC's may offer educational sessions targeting one specific life skill. Finally, it is important to remember that no files or records are kept about your confidential interactions with a MFLC (unless there is concern you are a danger to yourself or others), which can help make the experience more comfortable.
